

AUSTEN WHIPPLE

INTERIOR DESIGN | GRAPHIC DESIGN | DIGITAL MARKETING

PROFILE

Multidisciplinary designer blending interior architecture, branding, sports graphics, and digital marketing into thoughtful, high-impact visual experiences. MFA-trained with a background in creative strategy, project management, and collaborative design, I'm passionate about creating work that is both visually compelling and purpose-driven.

PROFESSIONAL EXPERIENCE

Freelance Graphic Designer

A.Whipple Design

Feb.2020 - current

Remote

- Design and develop brand identities, including logos and visual systems, for clients across sports, nonprofit, and small business sectors
- Create and execute digital and social media campaigns, including original copywriting, captions, taglines, and descriptive content, while using campaign performance data to inform and refine SEO strategy and engagement outcomes
- Produce merchandise, event, and e-commerce assets - including wearable graphics and virtual shop content - alongside targeted creative projects such as team engagement campaigns and organizational branding materials

Interior Design Associate

Marc-Michaels Interior Design

Oct.2023 - Jan.2026

Winter Park, FL

- Reviewed architectural blueprints and structural specifications to develop informed interior design solutions aligned with client goals and spatial constraints
- Produced detailed space plans, elevations, and design documentation for interior environments, including furniture layouts, wall treatments, and lighting systems
- Collaborated with clients to define space planning needs and translate requirements into functional, design-driven solutions
- Managed multiple concurrent design projects under strict deadlines while maintaining accuracy, consistency, and client satisfaction

Animal Ambassador

United Parks & Resorts (formerly SeaWorld Entertainment, Inc.)

May 2023 - Sept. 2023

Orlando, FL

- Delivered guided educational experiences by presenting engaging narratives about park exhibits, animal behavior, and conservation efforts to enhance visitor learning and engagement
- Monitored visitor activity to ensure compliance with park regulations, safety standards, and tour guidelines
- Communicated with guests through public speaking and real-time interpretation, answering questions, highlighting key features, and providing in-depth information on exhibits

Digital Marketing Specialist

Trulieve Inc.

Apr.2022 - Feb.2023

Remote

- Develop and manage digital marketing campaigns across home and e-commerce websites, creating visual and written content to enhance user experience, support marketing objectives, and drive sales growth
- Collaborate with external contractors to redesign and implement website improvements focused on usability, performance, and conversion optimization

Event Bartender | Guest Experience Support

The Crum Box Gastgarten

Jun.2021 - Nov.2022

Tallahassee, FL

- Supported event operations as a bartender, maintaining a clean and organized service environment while executing setup and breakdown responsibilities as needed
- Delivered guest-focused service during high-volume events, coordinating with event staff and bar teams to ensure smooth workflow and consistent execution
- Created and supported event-specific promotional and social media content to enhance guest experience, increase engagement, and extend event visibility across digital platforms
